

License

All royalty free stock design elements (icons, mock-ups, templates...) on this website are free for both personal and commercial usage.

You are allowed to use all files for both personal and commercial projects.

You are allowed to use the resources from this site for any personal or commercial projects. You may modify the resources according to your requirements and include them into works, such as websites, prints, apps or any other projects.

If you use/modify the resources in your projects, we'd appreciate a linkback to this site.

You do not have rights to redistribute, resell or offer files from this site to any third party

If you wish to promote any resources from this site, you must link back to the resource page of that file where users can find download button but not directly to the download file.

If you have any question, feel free to contact us at graphberry@gmail.com
